

General Alignment

ST GEORGE

PROJECT OVERVIEW

The Northern Corridor is anticipated to connect Red Hills Parkway to Washington Drive Parkway. UDOT is conducting preliminary roadway design for a Draft Plan of Development to be submitted in the future to the Bureau of Land Management (BLM) as outlined in the U.S. Department of the Interior’s Record of Decision for the BLM’s Federal Environmental Impact Statement. The plan must receive federal approval before commencing any construction.

BENEFITS

This corridor has been identified by local planners as beneficial in accommodating east-west travel demand between I-15 and SR-18 projected for 2030 and beyond and to reduce congestion on the local area transportation network.

FUNDING

Northern Corridor Preliminary Engineering	\$2 Million
Total Cost	To Be Determined
