

PROJECT OVERVIEW

This is **Phase 1** of a larger project that will reconfigure the existing Payson Main Street interchange and connect it to a new interchange at Nebo Beltway Drive. This phase will construct the Nebo Beltway Drive from I-15 to SR-198. The new Nebo Loop Driver overpass will be constructed along with the I-15 northbound on-ramp and southbound off ramp.

Funding for this project was provided by 2023 SB 2. A ROW donation is required for the funding to become available. The ROW documents are currently being developed to facilitate the donation.

BENEFITS

Relieve traffic pressure on Spanish Fork Main Street

Provide direct access to I-15 for Salem Hills without having to go through Payson

Provide transportation access to new Frontrunner station and surrounding developments.
