PROJECT OVERVIEW

The Utah Department of Transportation (UDOT), Utah Valley University (UVU) and the Utah Transit Authority (UTA) have worked together to study, design and construct a pedestrian bridge over Interstate 15 between UVU and the Intermodal Center in Orem. UDOT approved the final design and began construction in Fall 2019.

BENEFITS

- Provide a pedestrian and bicycle friendly route between UVU and the Orem Intermodal Center.
- Enhance safety and improve traffic-flow by separating pedestrian and vehicle traffic in the area.
